REPRESENTATIVE MATTERS

As Arbitrator

Sole Arbitrator (DIAC) – Dubai, UAE substantive law, dispute between two Kazakh parties in relation to construction defects of a residential building in Dubai.

Chairperson (DIS) – Cologne, German substantive law, shareholder dispute in relation to the dissolution of a company in the healthcare sector.

Co-Arbitrator (DIS) – Ludwigshafen, German substantive law, dispute in relation to a lease agreement of machines for the production of components for sports shoes in Indonesia.

Sole Arbitrator (DIS/IHK Bielefeld) – Bielefeld, German substantive law, shareholder dispute in relation to the dissolution of a company in the healthcare sector.

Sole Arbitrator (ICC) – Dubai, German substantive law, dispute in relation to a loan agreement between a German and a US-based company.

As Tribunal Secretary

UNCITRAL – Paris, Bulgarian substantive law, dispute between an Israeli company and the Republic of Bulgaria relating to the privatization of the national carrier of Bulgaria.

VIAC – Vienna, Austrian substantive law, shareholder dispute in relation to a joint venture for the largest soft drink bottling plant at the time in Central Asia between Uzbek and US parties.

As Counsel in Arbitration

ad hoc – German substantive law, representing a Swiss company of a former Formula 1 champion in connection with a dispute with an Australian IT developer regarding Formula 1 memorabilia.

DIAC – Dubai, UAE substantive law, representing a German metals processing company in the kitchen furniture sector in a dispute regarding violations of a shareholder agreement in a joint venture in Dubai.

DIS – Frankfurt, German substantive law, representing a private equity firm as the respondent in a post M&A dispute relating to European cartel infringements in the sanitary sector.

DIS – Frankfurt, German substantive law, representing a major German metals processing company in a dispute relating to the development of a prototype of an electric truck.

DIS – Cologne, German substantive law, representing a German scrap metals trading company in a commercial dispute with a Dubai-based company.

DIS – Nuremburg, German substantive law, representing a German consulting firm against a French energy company in a dispute regarding the construction of a nuclear power plant in Brazil.

DIS – Stuttgart, German substantive law, representing a German energy company in a dispute with a gas supplier regarding gas price adjustment calculations.

SWISS Rules – Zurich, Swiss substantive law, representing a large Swiss pharmaceutical company in a dispute with a Japanese company regarding an IP licensing agreement for a clinical diagnostics kit.

ICC – Vienna, German substantive law, representing an Austrian biotechnology company in a commercial dispute with a Saudi-Arabian healthcare company.

Annulment proceedings – Dubai Court of Appeal, UAE law, advising a German company in the defence of a DIAC arbitration award

Counsel in Litigation

Abu Dhabi Commercial Court of First Instance, UAE law, advising a German scrap metals company in a commercial dispute against an Emirati metals trading company.

Dubai Court of First Instance, UAE law, advising a German high-tech company against an Emirati company and an Indian company in a commercial dispute relating to the supply of goods.

Riyadh Commercial Court, Saudi law, advising a German agricultural products company in a commercial dispute with a Saudi fertilizer company.

Vienna Commercial Court, German substantive law, mass litigation representing ca. 4,500 investors against a major Austrian insurance company in connection with a Ponzi-scheme.

150+ litigation proceedings before local, regional and higher regional courts in Germany including advisory work in multiple proceedings before the German Federal Court of Justice mainly relating to corporate law, commercial law, insolvency law and German GAAP.

Tax Litigation – German Federal Fiscal Court, representing a German company (limited partnership) in a dispute with the German Tax Authorities relating to the effect of insolvency of a member of a VAT tax group on input tax reimbursement claims.

CAREER MILESTONES

Mr Heinrich began his career in 2005 as parttime Tribunal Secretary for Prof. Dr. Karl-Heinz Böckstiegel. After successfully passing the Second State Exam (German Bar) in 2011 he joined the dispute resolution practice of CMS in Stuttgart (Germany), where he was working in the areas of international arbitration and litigation with a major focus on post M&A disputes. In 2015 he joined the dispute resolution practice of Flick Gocke Schaumburg (FGS) in Bonn (Germany), focusing on commercial, post-M&A and shareholder disputes. In 2020, Mr. Heinrich was admitted as Certified Tax Advisor (Steuerberater) and specialized in accounting, fraud and valuation-related disputes. In 2021 the German Federal Court of Justice cited Mr. Heinrich in a landmark decision (so called "Schiedsfähigkeit IV" judgement) on the validity of arbitration agreements in dispute between members of a partnership. In 2024, Mr. Heinrich relocated to Dubai joining a boutique law firm in the UAE where he headed the dispute resolution practice advising international clients in litigation and arbitration proceedings in the Gulf Region. In November 2026, Mr. Heinrich became part of BODENHEIMER managing the newly established Abu Dhabi office.

RECOGNITIONS

Mr Heinrich was recognized by BestLawyers Germany and Handelsblatt in 2023 and 2024 for arbitration and mediation.
